

Transit Trawl

Pre/Post-class Activity

Trawling Knowledge Rater

Knowledge Rating: Trawling and the Wonders of the Intra-coastal Waterway

Directions: Decide how well you know each of the words below by checking your knowledge for each. These are words that you will most likely talk about on the boat while you are trawling. You will want to print two copies of this; one each for PRE and POST.

GOAL: See what you know before your trip to Driftwood! If you answer "yes" for the "can you use it" column, write the definition. Complete a fresh version of this chart when you get back to school to see what you learned or remembered.
